

AMERICAN EAGLE TROPHY

Donated by American Airlines in the inaugural year of the North American Challenge Cup in 1992.

American Airlines is one of the Founding Partners of the NACC, and their support continues to be a significant factor in the event's global reach. American very generously provides transportation to competitors and a companion for this annual national championship of disabled sailors. The Eagle Trophy is awarded to the top team in our Freedom 20 Class for double handed crew.

AMERICAN EAGLE TROPHY WINNERS
