

SCHOONER TROPHY

Added by the club as a special Mac trophy in 1949, it was awarded to the schooner with the fastest corrected time in the Cruising Division.

It was won by Happy Holiday five of the first ten years it was offered. Happy Holiday had the fastest elapsed time in 1952 among all early winners at 51 hours 31 minutes and another “winning” time in 1955 of 106 hours 36 minutes when the trophy was also an award for patience. The age of schooners in the Mac came to an end, and the trophy was no longer awarded as there were no eligible entrants. In 1986 it was brought back into use as a section trophy.
