## SINCLAIR - FOX TROPHY

The Harry Sinclair Trophy was established for power boat competition in 1920 and was won by Gar Wood's Miss America in 1921 and 1922 in races off the Municipal Pier (now Navy Pier).

It was inactive thereafter until 1942 when it was transferred by Past Commodore Sheldon Clark to competition by sail yachts. It took the place of the Dreadnought Trophy, which had been retired the previous year by E.W. Schnabel in Yankee. It was the trophy for the best score in the three legs of the Tri-State Race in the Universal (Racing as opposed to Cruising) Division. When participation by the Universal Division declined, it was offered in 1962 as the Universal Division time prize for the 8 Mile Buoy Race. In 2002 the Sinclair Trophy was

rededicated to the memory of Barbara Fox McBriarty as an Etchells event trophy and has been so sailed since.
